Jersey City, NJ – June 2019 – Abner Herrman & Brock’s Investment-Grade Taxable Bond **Separately Managed Account (SMA)** has been awarded a Top Guns designation and 6 star rating by Informa Investment Solutions’ PSN manager database, North America’s longest running database of investment managers. AHB’s fixed income SMA strategies are approved for use on your firm’s advisory platforms.

Through a combination of Informa Investment Solutions’ proprietary performance screens, PSN Top Guns ranks products in six proprietary categories in over 50 universes. This is a well-respected quarterly ranking and is widely used by institutional asset managers and investors. Informa Investment Solutions is part of Informa Financial Intelligence, a leading provider of critical decision-making solutions and custom services to financial institutions.

Top Guns firms are awarded a rating ranging from one to six stars, with the number of stars representing continued performance over time. AHB was named a Top Gun with a star rating of 6 meaning Products must have an R-Squared of 0.80 or greater relative to the style benchmark for the recent five-year period. Moreover, products must have returns greater than the style benchmark for the three latest three-year rolling periods. After that they select only the products which standard deviation for the five-year period is equal or less than the median standard deviation for the peer group. The top ten information ratios for the latest five-year period then become the TOP GUNS.

These results place AHB in the top quartile of the PSN Intermediate Fixed Income universe for the 1, 3 and 5 year periods.

For more than 35 years, Abner, Herrman & Brock has managed custom investment-grade taxable and municipal bond (**SMA**) portfolios.
